

ATTENTION MEMBERS & VISITORS IMPORTANT NOTICE

From tomorrow Friday 1st January 2021, ALL hospitality venues are required to use the ServiceNSW QR code to check into venues. This is a NSW Government mandate.

There are 2 ways to check in using the QR code that will be displayed at the Club's entrance.

1. If you already have the ServiceNSW app  on your phone, scanning the code will take you straight to this app and you just need to confirm your details then add any guests/ dependents with you
2. If you don't have the ServiceNSW app, don't worry...by scanning the code you can elect to check in using an online form (by pressing the red button ) , entering your name and phone number (then add any guests/dependents with you).

If you don't have a smart phone, also don't worry, our friendly reception staff can do this for you; the process may just take a little longer.

If you'd like to download the ServiceNSW app prior to visiting the Club, you can do so via the App Store or Google Play and follow the prompts (see below). The links are below. Again, our friendly staff can help you with this if you need it, as having the app will make the check in process quicker, as it already has your details saved.

You will still be required to follow the normal sign in as a member or a guest.

We'd like to thank you in advance for your patience and understanding regarding this additional requirement when visiting the Club. We're sure you appreciate that the Club is doing everything we can to keep everyone COVID safe and fulfill our legislative requirements.

Get it on Google Play  & download on the App store by entering 'Service NSW app' in the search field.

We hope you have a wonderful New Year and stay safe!
Darryl Bozicevic
Secretary Manager
