#### **President's Report 2025**

It is my privilege to present the 55th Annual Report for our Club, marking another year of strong performance and important milestones.

For the year ended 30 June 2025, the Club achieved a net profit of \$1,189,703. Revenue grew to \$21.99 million, up from \$14.73 million in 2024, reflecting the strength of our core operations and, for the first time, the contribution from Tomakin Sports and Social Club. As of year-end, borrowings stood at \$4.58 million, a manageable level given the scale of our assets, cash flow, and future investment plans.

One of the defining milestones this year was the amalgamation with Tomakin Sports and Social Club, finalised in July 2024. While settlement marked an important achievement, integration is naturally a gradual process. Steady progress is being made to align systems, staffing, governance, and member benefits so the two clubs complement each other. I extend my thanks to Darryl and the management team for the dedication they have shown throughout this amalgamation journey. Their leadership gives me confidence that Tomakin and the ExServos will continue to grow as strong community clubs, working in harmony, maintaining consistent service standards, and enhancing the benefits delivered to members across both sites.

I also want to acknowledge the outstanding contribution of all our staff at both Clubs. Whether on the front line or behind the scenes, their professionalism, warmth, and pride in their work are what make our Clubs such welcoming and respected venues.

To our management team, led by Darryl and supported by Marlee as Group Operations Manager and Shane as Operations Manager at Tomakin, thank you for your dedication and ability to steer the organisation through change while keeping service at the heart of everything we do.

Our Board of Directors continues to give generously of their time on a voluntary basis. To Vice Presidents Simon Law and Tony Ireland, and Directors John Broughton, Tony Ingold, Dany Gruosso, and Stuart Bellingham—your judgement and commitment are invaluable. Together, we are progressing the Club's strategic plan, ensuring investments are well targeted, risks are managed, and the Clubs remain strong and sustainable for the long term. I also thank your families for supporting you in this important work.

Highlights of the year included the Brian Wilkins Kokoda Youth Leadership Challenge, through which we proudly supported four outstanding young people from our Ulladulla community. Their participation reflects the Club's commitment to fostering future leaders.

We also contributed \$394,945 through ClubGRANTS and direct support, backing 50 community and sporting groups across the Shoalhaven and Eurobodalla. Giving back to the community is not just a responsibility but a cornerstone of who we are as Clubs.

Commemorations such as ANZAC Day and Remembrance Day remain special markers in our calendar, and I commend the RSL Sub-Branches at Tomakin and Ulladulla for their dedication in ensuring these events are honoured with dignity and respect.

To our CEO, Darryl Bozicevic, thank you for your passion, vision, and unwavering commitment to the Club's success. Your leadership continues to drive innovation and growth, while keeping our values at the centre of decision-making.

On a personal note, I thank my wife Gillian and my family for their ongoing support, which allows me to devote myself to this role and to serving the community through the ExServos.

And most importantly, to all our members—thank you for your loyalty and engagement. You are the foundation of our success, and I look forward to working together as we build on the achievements of this year.

Warm regards,

William Drury PRESIDENT

#### **Secretary Manager's Report 2025**

On behalf of the Board of Directors and myself, I am pleased to present our Club's 55th Annual Financial Report for the year ending 30 June 2025.

This past year has been one of growth and consolidation. A defining milestone was the amalgamation with Tomakin Sports and Social Club, completed on 31 July 2024. For the first time, we present our Annual Financial Report as a Group, with Tomakin's operations, cash flow, and assets included in these results. This is reflected in the growth across revenue, wages, expenses, the balance sheet, and cash flow. Despite ongoing economic pressures, including interest rates and inflation, the Club Group delivered a solid result, achieving a net profit of \$1,189,703.

Our core business areas across the Group—Gaming, Bars, Food, and the Bottle Shop—performed strongly, with total revenue of \$21.99 million. Given the amalgamation, the comparison to last year reflects the ExServos on its own, at \$14.73 million. Gaming was the standout performer, with revenue increasing to \$11.13 million (up from \$7.92 million in 2024).

Wage costs were managed carefully at \$7.15 million, representing 33% of revenue, slightly above last year's 31%. This increase was anticipated with the inclusion of Tomakin's operations, and we remain focused on maintaining efficiency while supporting strong service delivery.

Expenses rose in line with the amalgamation, though we are already starting to see improvements in some areas through group buying power. Costs were higher this year due to the investment required at Tomakin in safety, compliance, and general repairs and maintenance, particularly to improve a number of back-of-house areas.

Operating performance remained strong, with cash flow from operations across the Group at \$3.33 million, up from \$2.79 million in 2024. This provides a solid foundation for future stages of our master plan, including carpark improvements and refurbishment planning at the ExServos, as well as the commencement of master planning for the Tomakin site.

Membership also grew significantly, with 55,590 members across both sites at year-end, reflecting the growing value our Club provides to the community.

The amalgamation with Tomakin was a major achievement, but integration is naturally a gradual process. Steady progress is being made to align systems, strengthen governance, enhance facilities, and nurture a shared culture that reflects the values of both Clubs. From staff training through to community engagement, important steps are helping ensure both sites continue to develop together as one Club. I extend my sincere thanks to our management team, with Marlee, our Group Operations Manager, overseeing both sites, and Shane as Operations Manager at Tomakin, for their commitment and leadership in guiding this journey forward.

I would also like to acknowledge the valuable contribution of the Tomakin Advisory Committee. Your support, insights, and participation in our monthly meetings have been very helpful in guiding the integration process, supporting member activities and promotions, and ensuring the views and needs of the Tomakin community are well represented.

In addition, I extend my thanks to the Tomakin Sub Clubs for their ongoing support and commitment. Your involvement enhances the social and sporting life of the Club and plays an important role in fostering connection, participation, and community spirit at Tomakin.

The regulatory environment for clubs continues to expand in both scope and complexity. To strengthen our capabilities in this area, we welcomed Alexander Williams to the newly created role of Compliance and HR Manager. His appointment ensures we can continue to meet these obligations effectively while supporting our staff and maintaining best-practice standards across the Clubs.

Our contribution to the local community remains a key focus across both Clubs. Through ClubGRANTS and direct support, the Group provided \$394,945 this year, supporting 50 community and sporting groups across the Shoalhaven and Eurobodalla. Initiatives included ongoing support for the RSL Day Club, ANZAC Day services across both sites, Remembrance Day, and the Brian Wilkins Kokoda Youth Leadership Challenge, among many others. We sincerely thank everyone involved in these important initiatives for their dedication and commitment to our community.

To our staff—you have managed a great deal of change with the amalgamation. Your understanding, willingness to embrace change, commitment, and dedication have been greatly appreciated. Thank you for your hard work throughout the year. Your professionalism and commitment to providing exceptional service are valued by our members.

To our Board of Directors—President William Drury, Vice Presidents Simon Law and Tony Ireland, and Directors John Broughton, Tony Ingold, Dany Gruosso, and Stuart Bellingham—thank you for your vision, guidance, and ongoing support in steering the Club forward. Your commitment to overseeing and advancing the Club's strategic plan ensures we continue to invest wisely, adapt to change, and position the ExServos for long-term success.

And finally, to our members—thank you for your loyalty and involvement. With your continued support across both the ExServos and Tomakin, our Clubs are well positioned for another successful year ahead. It is vital that you continue to support your local Club, which in turn supports your local community. Thank you for being part of our Club's journey.

We hope you continue to enjoy all the member benefits, promotions, and loyalty rewards we provide. Together, we look forward to another year of success.

Have a safe and happy festive season, and I look forward to seeing you throughout the year ahead.

With thanks

Darryl Bozicevic

#### **Notes to the Financial Statements**

#### For the Year Ended 30 June 2025

The financial report covers Milton Ulladulla Ex-Servos Club Limited and its controlled entities ('the Group'). Milton Ulladulla Ex-Servos Club Limited is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

Each of the entities within the Group prepare their financial statements based on the currency of the primary economic environment in which the entity operates (functional currency). The consolidated financial statements are presented in Australian dollars which is the parent entity's functional and presentation currency.

Comparatives are consistent with prior years, unless otherwise stated.

#### 1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001*.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Material accounting policy information adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

#### 2 Material Accounting Policy Information

#### (a) Revenue and other income

#### Revenue from contracts with customers

Revenue is recognised on a basis that reflects the transfer of control of promised goods or services to customers at an amount that reflects the consideration the Group expects to receive in exchange for those goods or services.

Revenue is recognised by applying a five-step model as follows:

- 1. Identify the contract with the customer
- 2. Identify the performance obligations
- 3. Determine the transaction price
- 4. Allocate the transaction price to the performance obligations
- 5. Recognise revenue as and when control of the performance obligations is transferred

ABN: 90 000 858 364

#### Notes to the Financial Statements

For the Year Ended 30 June 2025

#### 2 Material Accounting Policy Information

#### (a) Revenue and other income

Generally the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability.

None of the revenue streams of the Group have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

The revenue recognition policies for the principal revenue streams of the Group are:

Bar sales, poker machine and catering income

Revenue is recognised at the point the customer purchases the goods and services at the venue. Payment of the transaction price is due immediately at the time of purchase.

#### (b) Business combinations

The consolidated financial statements include the financial position and performance of controlled entities from the date when control is obtained until the date that control is lost. All controlled entities have the same financial year as the parent.

#### (c) Income tax

The tax expense recognised in the statement of profit or loss and other comprehensive income comprises of current income tax expense plus deferred tax expense.

Current tax is the amount of income taxes payable (recoverable) in respect of the taxable profit (loss) for the year and is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates and laws that have been enacted or substantively enacted by the end of the reporting period. Current tax liabilities (assets) are measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

#### (d) Leases

#### Lessee accounting

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received.

ABN: 90 000 858 364

#### **Notes to the Financial Statements**

#### For the Year Ended 30 June 2025

#### 2 Material Accounting Policy Information

#### (d) Leases

The right-of-use asset is depreciated over the lease term on a straight line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

#### (e) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the costs necessary to make the sale. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

#### (f) Property, plant and equipment

Each class of plant and equipment is carried at cost or fair value as indicated, less, where applicable, any accumulated depreciation and impairment losses.

Land and buildings are measured using the revaluation model.

Plant and equipment are measured using the cost model.

#### Depreciation

The depreciable amount of property, plant and equipment excluding freehold land are depreciated over their estimated useful lives.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	2 - 4%
Plant and equipment	7.5 - 60%
Poker machines	15 - 30%

#### (g) Investment property

Investment property is carried at cost, less any accumulated depreciation and impairment losses.

For the Year Ended 30 June 2025

#### 2 Material Accounting Policy Information

#### (h) Intangible assets

Intangible assets relate to gaming machine entitlements and are held at cost. They have an indefinite useful life and are tested annually for impairment.

#### (i) Financial instruments

#### Financial assets

The Group's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the consolidated balance sheet.

#### Impairment of financial assets

Impairment of trade receivables have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Group has determined the probability of non-payment of the receivable and multiplied this by the amount of the expected loss arising from default.

The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

Where the Group renegotiates the terms of trade receivables due from certain customers, the new expected cash flows are discounted at the original effective interest rate and any resulting difference to the carrying value is recognised in profit or loss.

#### Financial liabilities

The financial liabilities of the Group comprise trade payables, loans and lease liabilities.

#### 3 Critical Accounting Estimates and Judgements

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

ABN: 90 000 858 364

#### **Notes to the Financial Statements**

For the Year Ended 30 June 2025

#### 3 Critical Accounting Estimates and Judgements

The significant estimates and judgements made have been described below:

Key estimates - employee entitlements

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

Key estimates - impairment of property, plant and equipment

Management assesses impairment at the end of each reporting period by evaluating conditions specific to the Group that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Key estimates - useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain property, plant and equipment.

Trade and other receivables

#### (a) Impairment of receivables

The Group applies the simplified approach to providing for expected credit losses prescribed by AASB 9, which permits the use of the lifetime expected loss provision for all trade receivables. To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. The expected credit losses incorporate forward looking information.

There has been no change in the estimation techniques or significant assumptions made during the current reporting period.

The Group writes off a trade receivable when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery, e.g. when the debtor has been placed under liquidation or has entered into bankruptcy proceedings or when the trade receivables are over a number of years past due, whichever occurs first.

# Independent Auditor's Report to the members of Milton Ulladulla Ex-Servos Club Limited

### Report on the Audit of the Financial Report

### Opinion

We have audited the financial report of Milton Ulladulla Ex-Servos Club Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated balance sheet as at 30 June 2025, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, the consolidated entity disclosure statement and the directors' declaration.

In our opinion, the accompanying financial report of the Group is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Group's financial position as at 30 June 2025 and of its financial performance for the year ended; and
- (ii) complying with Australian Accounting Standards Simplified Disclosure Standard and the *Corporations Regulations 2001*.

### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other matter - Prior period financial report audited by another auditor

The financial report of the Group for the year ended 30 June 2024 was audited by another auditor who expressed an unqualified opinion on that report on 12 September 2024.

## Information Other than the Financial Report and Auditor's Report

The Directors are responsible for the other information. The other information comprises any information that does not form part of the financial report, as defined in the Opinion section of this Independent Audit Report for the year ended 30 June 2025, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Directors for the Financial Report

The Directors are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Simplified Disclosure Standards and the *Corporations Act 2001* and for such internal control as the Directors determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

# Independent Auditor's Report to the members of Milton Ulladulla Ex-Servos Club Limited

### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: https://www.auasb.gov.au/auditors\_responsibilities/ar3.pdf. This description forms part of our auditor's report.

  - ii) Lot 2 in Deposited Plan 1258434;
  - iii) Lot 100 in Deposited Plan 1214685; and
  - iv) Lot 101 in Deposited Plan 1214685.
- b) the following real property is non-core property of the Club:
  - i) Lot 1 in Deposited Plan 1258434;
  - ii) Lot 2 in Deposited Plan 236164;
  - ii) Lot 3 in Deposited Plan 236164; and
  - iv) Part of Lot 16 in Deposited Plan 747884 being that part of that lot hatched and labelled Part B Non Core Property in the plan below.

- v) 15 Spencer Street, Ulladulla
- vi) 124 Warden Street, Ulladulla
- vii) 31 Jubilee Avenue, Ulladulla
- viii) 39 Kingston Place, Tomakin

### **Notes to Members**

- Section 41E(5) of the Registered Clubs Act requires the annual report to specify the core property and noncore property of the Club as at the end of the financial year to which the report relates.
- Section 41E of the Registered Clubs Act 1976 (NSW) defines "core property" to include any real property owned or occupied by the club that comprises:
- (a) the premises of the club, or
- (b) any facility provided by the club for the use of its members and their guests, or
- (c) any other property declared, by a resolution passed by a majority of the members present at a general meeting of the ordinary members of the club, to be core property of the club,
- 3. Non-core property is any other property (other than that referred to above as core property) and any property referred to in paragraphs (a)-(c) that is declared, by a resolution passed by a majority of the members present at a general meeting of the ordinary members of the club, not to be core property of the club.
- 4. The significant of the distinction between core property and non-core property is that section 41E of the Registered Clubs Act prevents "core property" being disposed of unless:
- (a) the property has been valued by a qualified valuer; and
- (b) the disposal has been approved at a general meeting of the ordinary members of the Club in which a majority of the votes cast supported the approval; and
- any sale is by way of public auction or open tender conducted by an independent real estate agent or auctioneer,
- 5. These disposal provisions and what constitutes a disposal for the purposes of section 41E of the Registered Clubs Act are to some extent modified by regulations made under the Registered Clubs Act and by section 41E itself. For example, the requirements in paragraph 4 above, amongst other things, do not apply to:
- (a) the property is being leased or licensed for a period not exceeding 10 years on terms that have been the subject of a valuation by a qualified valuer within the meaning of section 41E of the Registered Clubs Act; or
- (b) the property is being leased or licensed to a telecommunications provider for the purposes of a telecommunication tower.
- 6. Under the Registered Clubs Act non-core property is not subject to the limitations referred to in paragraph 4 and 5 above and can be disposed of without the Club having to following the procedure referred to in paragraph 4 above.
- 7. However, in 2021 the Club included in its Constitution a new rule, being rule 8.7, which prohibits the sale of any real property of the Club (whether core or non-core property) without a resolution approving such sale having first been passed by a majority of the members present at a General Meeting of the Ordinary members of the Club. This must be complied with in relation to all real property sales even if the Registered Clubs Act prohibitions do not apply.
